Disclaimer

The results expressed as IHE Connectathon results for a company in these tables imply that the company has successfully tested one or more product(s) implementing the mentioned integration profiles and actors. Users of IHE should consult the IHE Integration Statements from this company to obtain the IHE actors and integration profiles that are supported by a specific product and version. The link by the vendor name (⇒) provide access to the vendor's IHE Integration Statements.

When such a link is absent, companies have not yet registered their IHE Integration Statement Web pages. To do so contact [Chris Carr](#) in the North America and [Eric Poiseau](#) in Europe.
