Blood specimen collection rooms

Care providers
(care settings, ambulatory providers)

Clinical Laboratories

Management

Work Area

LCSD: sharing lab tests code set

FINAL

LTW: tests performed in hospital lab

FINAL

LPOCT: point of care testing

FINAL

LBL: robotized distribution & labeling of specimen containers

FINAL

ILW:
lab to lab

TRIAL

XD-LAB: clinical or public health laboratory digital report

FINAL

LDA:
laboratory automation

FINAL

LAW:
laboratory analytical workflow

TRIAL

Currently published

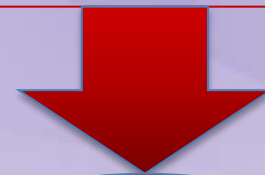

- LAB Technical Framework R4.0, Oct. 2012
- ILW supplement R1, July 2009
- GIR option for LTW, LDA, ILW, Oct. 2010
- Option for LBL R1, January 2012
- LAW supplement R1.1, Oct. 2012

Connectathons
2013

To be published mid October 2013 (Change Proposals integrated)

- LAB Technical Framework R5.0 (5 CPs)
- ILW supplement R2, (1 CP)
- LAW supplement R2 (19 CPs)
