Decisions and Action Items	Person responsible	Timeline
<p>The group discussed the Demonstration Scenarios for the 2008 AAO Showcase. Based on the prior meeting's discussion, an arrangement of 3 attendee flows was discussed. It was also proposed that Use Case 2 be demonstrated only, which would highlight the Order Fillers. The companies with ADT actor are also the same ones with Order Placer actors, so they will be very visible.</p> <p>This will be finalized at the September 12 meeting. Flora will send out the latest draft of the proposed demonstration flow to everyone for comments.</p>	All	9/12/2008
<p>1. The group also reviewed the Code Tables from the 2007 AAO Showcase. This will need to be updated for any new modalities. Mark and Linda will add ICD-9 codes for the known procedures.</p>	Mark, Linda	9/12/2008
