

# IHE-RO TSWF Call

Tuesday, May 20, 2025, 10:00am Eastern Time

## Attendees:

David Wikler  
Bob Pekarek  
Thomas Schwere

## Minutes:

- I. Call to order at 10:05am ET.
- II. The group went through the open action items and updated their status.
- III. The group agreed on pausing the TSWF calls in favor of prioritizing SMRT and ROTH profile development till the end of the year. TSWF calls may be scheduled ad-hoc as needed.
- IV. Meeting adjourned at 11:00 am ET.

## Open **action items** from previous meetings:

Meeting	Action Item	Owner	Status
2024-08-27	Draft a CP to introduce “Time Zone Support” as an option to TDW-II.	Thomas	Done (Will be included in Rev 3 of IHE-RO TF)
2024-10-22	Write a document about the stub plan topic. This could potentially result in a correction proposal for TDW-II	Sanjay	Open (Tracked as ACTION 250413 in MOM of IHE-RO F2F 2025-04)
2024-11-26	Draft a CP adding a note that the TMS may set Fraction Number in the Scheduled Processing Parameters Sequence to the Clinical Fraction Number at its own discretion	Bob	Open (Tracked as ACTION 250403 in MOM of IHE-RO F2F 2025-04)
2024-11-26	Bring up the following topic at the next DICOM WG-07: Add treatment record references to the BDI to safely support the partial/continuation case (option “Retain Original Treatment Records”).  2025-02-17: David created <a href="#">cp_RT268_AddReferenceToTreatmentRecordsInBDI.docx</a> 2025-02-18: Thomas to attach the CP to the MoM for people who don’t have access to the DICOM WG-07 Sharepoint 2025-05-20: Waiting for discussion in WG-06	David	WIP
2024-11-26	Add a note in 3.59.4.1 about handling of optional input information items: “To determine if the actor can perform the procedure safely, all items in the input information shall be referenced in the BDI and RT Plan.” (Depends also on previous action item)	Thomas	Open
