

ACCOMODATION SUGGESTIONS

Meeting Site: Manifattura Tabacchi, Viale Regina Margherita n. 33 (Cagliari) <https://goo.gl/35CZ9G>

GENERAL ADVICE: the meeting site is in the very center of Cagliari, in an area with a wide array of accommodation options (hotels, bed&breakfasts, Airbnb rooms or small flats,...). November is not high season so it should be easy for you to find something suitable for your needs. CRS4 has price agreements with the two hotels below: the negotiated costs are excellent for high season, but since we're in the fall we recommend you also check the prices online before booking the rooms (for instance, via booking.com) since you might find better low season offers there.
